Fetal Alcohol Spectrum Consultation  
Education and Training Services

**MYLES HIMMELREICH, MOTIVATIONAL SPEAKER, MENTOR & FASD CONSULTANT WITH LIVED EXPERIENCE**

*"The Neurobehavioural model training gives insight and answers to a complex and often misunderstood disability. Once I was able to better understand FASD, I was able to better understand myself."*

**NANCY HALL, LEAD FACILITATOR OF THE NEUROBEHAVIOURAL MODEL PROGRAM DIRECTOR, FASCETS FOUNDER, FASCETS CANADA EAST**

## **LEARN TO SEE AND UNDERSTAND FASD DIFFERENTLY. LEARN:**

- to understand FASD from the insight, perspective and lived experience of a person with FASD
- the Neurobehavioural Model, based on over 30 years of research on the brain and considered emerging best practice
- how to create accommodations and reduce challenging behaviours
- to understand FASD as a full body diagnosis
