

COFFEE WITH BEV

**Friday,
September 28 2018**

Is your family impacted by FASD? Did you use alcohol during a pregnancy? Do you wish you did not feel so alone? Do you wish others understood?

Join us as we have coffee with Elder Bev Harvey - Bright Star Medicine Cloud Woman. Prepare to be moved as she shares her personal story. It is a story of tragedy and triumph, and the learning and healing she has experienced to get to today. You are welcome to bring your support people.
