Information Series

Parents, caregivers, other family members and professionals who support children and youth 17 years old and younger recently seen or diagnosed at the Manitoba FASD Centre.

Topics Include

- What does it mean that my child has FASD?
- How will FASD affect their behaviour, school performance and social interactions?
- How can I help others understand my child's disability?
- How can I help my child understand his/her disability?
- How can I help my child develop his/her strengths?

Please note that we will be discussing a different topic each week. We encourage you to commit to attend for the entire 7 weeks. Please note there will be a maximum of 50 participants registered for this series.
