Loss, Grief and FASD

**Friday, April 30, 2021, 12:00 – 1:15/1:30 p.m.
Via Zoom On-line Conferencing**

Join us April 30th to view Dr. Dorothy Badry's video on Loss, Grief and FASD. Dr. Badry is CanFASD's Child Welfare Research Lead and in the video she discusses loss, grief and resilience in relation to FASD. Loss and grief seem to go hand in hand in relation to FASD and the experience deeply impacts the lives of children, youth, adults, families and support networks. After the viewing of the video, Dr. Badry will join us for a Q and A session.

This workshop will be of interest to anyone who is working with, caring for, or supporting a child/adolescent/adult with FASD

**This is a FREE event sponsored by the Manitoba FASD Coalition
And the Manitoba FASD Family Network**
