

Carie McIntosh

204-627-7458

carie.mcintosh@ocnhealth.com

Opaskwayak Cree Nation, The Pas, Manitoba

From 2001 to 2013, Carie worked as a Children's Special Services case manager assisting families with children with disabilities access resources, support, equipment and respite. Currently, Carie is the Disability Research Advocate for the Ospaswayak Health Authority, a position which involves investigating support models for people with disabilities on reserve.
