Wayne Mason Sr., Wa–Say Healing Centre: Supporting People Impacted by the Indian Residential Schools and Indian Day Schools

The Looking After Each Other (LAEO) project seeks to promote dignity for people impacted by FASD. Since 2016, LAEO has held annual Elders' gatherings to build relationships and share knowledge between FASD service providers and Indigenous Elders. This event is a virtual extension of these gatherings.

We are pleased to announce that we will be hosting a virtual LAEO Gathering on Tuesday, January 24, 2023 from 1 – 3 p.m. Plan to join us to listen to Wayne Mason Sr., of Wa–Say Healing Centre, as he shares information about the services his team provides to the Winnipeg Community. Learn about the emotional and cultural support services available at Wa–Say Healing Centre and other Indian Residential Health Support Services across Manitoba.

This event will be held virtually using the Zoom platform and all attendees will be required to register using this link,
