Session will run from 12:00 p.m. to 1:00 p.m.

Join us Friday, November 24th at 12 noon to hear Carol Kehler speak about supporting siblings of children with disabilities. Carol is a physiotherapist who has worked with children and youth for over 25 years. She has been providing Sibshops through the Rehabilitation Centre for Children since 2019.

During this presentation, Carol will introduce you to the Sibshop, provide some resources and discuss topics that siblings may struggle with. The Sibshop curriculum is used throughout the US, Canada and many other countries around the world. The information will provide tools to address sibling concerns and will possibly inspire you to start a Sibshop in your community

The Info Series Workshop will be in the form of a Zoom webinar. Please register in advance,
